Create a Post on Tech Writers Tribe - Quick Start Guide

**Table of Content**

Introduction

Tech Writers Tribe is an application that helps the technical writing community in the software industry to stay connected. The Post feature of Tech Writers Tribe allows you to express your thoughts, ideas, and queries using text and media formats. This Quick Start Guide is to assist you in creating a post in the TWT app.

Prerequisites

- Stable internet connection

- Signed in to Tech Writers Tribe application

Creating a Post on TWT App
